

Catarrh of the Stomach a Prevalent Disease Difficult to Relieve.

A PROMPT AND EFFICIENT REMEDY.

Mr. S. W. Jackson, 315 Weaver Block, Greenville, Ohio, says: "While I was superintendent of construction of J. E. Bender and Bros. Co., of Hamilton, Ohio, I became entirely unfit for business with catarrh of the stomach."

"A friend called my attention to a remedy for this condition. I began to improve at once. I was soon able to return to my former profession."

"It would require many pages to describe the condition I was in and the relief I have obtained."

Here is another case. Officer George Y. Stout, 724 North Broadway, Baltimore, Md., says: "I suffered very much with catarrh of the stomach and nervous indigestion. I lost fifty pounds in four months."

"A friend called my attention to a remedy, which I used, and gradually got well. I have gained half my lost weight back again."

Chronic Stomach Trouble.

Mr. Robert J. Gillespie, 638 South Main St., Los Angeles, Cal., secretary of Father's International Union, was also suffering from catarrh of the stomach a long time. He grew thinner and paler, lost all ambition and appetite, sick at the stomach, indigestion continually.

A friend also called his attention to a remedy, which brought about a decided improvement. After continuing the use of the remedy for a month, he considers himself permanently relieved.

Now, once more, Mr. Christian Hoffman, Slattington, Pa., says he suffered for many years with catarrh of the stomach. It produced a miserable cough, day and night. He tried doctors and many remedies. At last his attention was called to a remedy, the same remedy that relieved the others which have been referred to above. He claims that he was entirely rid of his stomach difficulty.

Peruna Brought Back Health.

What was the remedy that has wrought this remarkable relief? So far, the remedy has not been mentioned.

If any one doubts the correctness of these statements it is very easy to verify them by writing to the people whose names have been given, enclosing a stamp for reply.

The remedy is within the reach of every one. It is simply the good, old standard reliable remedy known as Peruna.

If the truth were known, the probabilities are that Peruna has relieved as many cases of catarrh of the stomach as any other popular remedy in existence. We have a great many unsolicited testimonials from all parts of the United States, declaring in strong and enthusiastic terms that Peruna has entirely relieved them of catarrh of the stomach, that they were wretched and miserable beyond words, but Peruna has restored them to health, vigor and happiness.

These are the facts. Now, if you have stomach difficulty, it is up to you to act upon them or ignore them, as you please.

Symptoms of Stomach Catarrh.

"The affection may result from errors in diet, or the use of alcohol. The excessive use of tobacco, especially when the juice or the leaves are swallowed, is likely to cause it."

"Highly seasoned or coarse, irritating foods, sometimes induce the disease."

"As chronic gastritis (catarrh of the stomach) is essentially a secondary affection, one of the primary causes is an unhealthy state of the mouth, nose or throat, such as bad teeth or catarrh of the nose (ozena)."

"The patients are usually poorly nourished, pale, sallow, thin, fatigue easily induced, muscles flabby. Loss of appetite or capricious appetite."

"The tongue is usually coated brownish gray. Cankered mouth is a common occurrence."

"Pain is not common. When present it is usually dull, and is aggravated by food, especially when this is of an irritating character."

"Vomiting may occur in the morning. Also after meals. Sickness to the stomach frequent and persistent."

"Food produces dull headache, and a feeling of general nervous distress. Constipation usually quite marked."

These symptoms, given by Gould and Pyle, coincide exactly with the frequent descriptions Dr. Hartman is receiving from patients all over the United States.

If you have any of these symptoms get a bottle of Peruna. Take a dose before each meal. See if your stomach does not immediately feel better, your appetite improve, your digestion at once resume business.

People who object to liquid medicines can now secure Peruna tablets.

HERE FROM SACATON.—Dr. Brayton of Sacaton is in the city for a few days, assisting in the office of Dr. Godfrey the territorial health officer.

WRESTLING MATCH.—Dan Balz the champion wrestler of Arizona, and Lightning Chris the ex-champion, have arranged for a wrestling match in the Third Avenue theatre on the evening of Wednesday Nov. 10. The purse is \$400.

EXAMINATION OF LAWYERS.—The class of young lawyers who for the past two days have been under examination by the territorial board with a view to admission to the bar, finished its labors yesterday. The members of the board are studiously engaged upon the papers but results cannot be known for a day or two at the earliest.

CLOSED TODAY.—The board of trade room and information bureau will be closed today but will be open bright and early Monday morning for the listing of rooms and for furnishing visitors with directions where to go to secure rooms. The bureau now has a large list and hopes to be able to accommodate all applicants though anyone who still has a room to spare will oblige by listing it.

INVITATION TO SPEAK.—B. A. Fowler as president of the Irrigation congress has been invited to address the National Farm Lands Congress which will meet in Chicago Nov. 10 for a week's session. It was necessary for him to decline the invitation even though he appreciates the splendid opportunity to say things in the interest of this valley. It is expected the senate irrigation committee will visit Phoenix about that time and Mr. Fowler feels it more important that he should be here.

K. OF P. HIGH JINKS.—There will be big doings for the Knights of Pythias next Tuesday night at Pythian hall. El Yemamen Temple No. 65 of the Dramatic Order of the Knights of Khorassan will put the tyros through their stunts. Those who survive the tiger will be invited to a royal feed by the royal chief. The invitations to the novitiates contains the following fearsome information in verse:

The Elephant packed his trunk to come,
And the Camel has got a hump;
The Tiger has sharpened his finger nails
To make the Tyros jump.

SHE KEPT A LEVEL HEAD.—Day before yesterday afternoon a fire broke out in the roof of the Broadway school house from a defective flue. The teacher, Miss Champlin did not become excited and throw looking glasses out and carry feather beds carefully to places of safety. She first ordered the children that worse things could happen than to have school houses burned and then in an orderly manner she directed the removal of the furniture for it did not look as if the building could be saved. But some men working nearby came to the rescue of the insulation of leading and by throwing wet blankets on them of extinguished the fire.

FROM OLD COCHISE.—W. P. White, editor of the Cochise County Press, of Benson and recently appointed commissioner of immigration of Cochise county, arrived here yesterday, though he does not come in their of the capacities mentioned. He comes simply as a booster for Cochise county, and brings along 1500 pounds of ore from two nearby districts, for display in the mining building. Mr. White expects to see a goodly delegation from that section to the fair. He knows that Steve Rowan and J. F. Maloney will arrive today to attend the K. of P. grand lodge and the fair delegation of large stockholders of the Arizona United Mining Co., operating at Johnson, come to Phoenix to look over the fair before leaving for the east. Mr. White is enthusiastic over southwestern Arizona and says old Cochise is the best place in the world and will some day be the richest when her resources are developed.

CRITTENTON HOME BOOTH.—The management of the Crittenton Home will conduct an ice cream and cake refreshment booth at the fair and is looking forward to a liberal patronage by the public. The ladies of the various churches have volunteered to furnish the cakes that will be served and the ladies of the different congregations will take turns in conducting the booth. On Monday the First M. E. church ladies will have charge. Tuesday the ladies of the Christian church will serve, etc. The Crittenton Home management will also conduct a ladies' rest room as it has in former years, the room being divided among the ladies of the church congregations, as it is in the refreshments booth. The ladies who are entitled to admission in connection with these projects are directed that they may secure their passes of Mrs. Mattie L. Banks, president of the Crittenton Home board.

REAL HASSAYAMPERS.—People who are curious to see what a real Hassayampa looks like should keep their eyes open this week for it is quite likely there will be a good representation of them in Phoenix. A couple of them met on the street yesterday. Bill Kirkland and Charlie Genung. Mr. Kirkland came here in 1855 from California, getting as far as Tucson January 17, 1855, and has been hovering around southern and central Arizona ever since. He was one of the early settlers of Phoenix, having camped here before Phoenix was ever dreamed of. Mr. Genung rather represents being called a Hassayampa, as he has only lived in Arizona since August, 1882, and there were lots of people here then beside stage robbers and Indians. One couldn't go more than a hundred miles or so in any direction without meeting somebody. Beside Mr. Genung flatters himself that he is getting younger instead of older, due to his frequent sipping from the waters of the Hassayampa. The gentlemen were being chaperoned by Geo. Hamlin, a kid who went to California after the civil war and drifted down into Arizona in the 70's.

CATFISH A'PLenty.—H. P. DeMund, A. G. Huett, Charles DeMund, yesterday morning went on a week's hunting and fishing trip down the Santa Cruz and the Gila rivers. DeMund and Mr. Huett but the final record was made by Charles DeMund.

YOUNGEST RACE HORSE OW-ER.—The youngest owner of a race horse at the fair this year is little Miss Catherine Ramsey four years old, of Toiyoka Kan. She is here with her mother Mrs. C. D. Ramsey and her horse is Cistline which is entered in the 2205 purse for the \$5,000 purse. Miss Ramsey took her horse to Grand Rapids, Mich., this year where he made his record of 2:04. Miss Catherine went out to the track the other

day and said it looked very fast to her and that she thought Cistline would power his record. She is quite sure she will beat all the other horses but thinks that maybe some of the automobiles can go faster than he can.

A BRILLIANT METEOR.—People who happened to be looking toward the southwest on Friday evening saw a brilliant meteor moving northeast. It looked as big as an arc light and was as nearly white. Finally it seemed to burst and throw out an innumerable number of red lights. In a space of time that seemed five minutes a dull explosion was heard.
